SECTION 4 - EVALUATION FACTORS

A. BASIS FOR AWARD

The Government's objective is to obtain the highest technical quality considered necessary to achieve the project objectives, with a realistic and reasonable price. Technical evaluation factors when combined are significantly more important than cost or price; however, between quotes that are evaluated as technically equal in quality, price will become a major consideration in selecting the successful offeror. The Government reserves the right to make an award to other than the low priced offeror if the superior technical submission, or the submission indicating a reduced performance risk, warrants paying a premium. Award will be made on a "Best Value" basis. As technical merit of the offeror proposals become more equal, the evaluated cost or price may become the determining factor. The Contracting Officer shall determine what trade-off between technical merit and cost or price promises the greatest value to the Government, cost or price and other factor considered.. The offeror shall submit a completed solicitation, including Sections 1 and 5. The Government will determine acceptability by assessing the offeror's compliance with the terms of the RFQ to include the technical information required by Section 3.

B. COMPETITIVE RANGE DETERMINATION

The Government reserves the right to reject proposals that are unreasonably low or high in price. The evaluation process shall include the following:

A. COMPLIANCE REVIEW. The Government will perform an initial review of proposals/quotations received to determine compliance with the terms of the solicitation. The Government may reject as unacceptable proposals/quotations that do not conform to the solicitation.

B. TECHNICAL EVALUATION FACTORS

(a) The Government will evaluate the offeror's technical proposal and price. The technical proposal will be evaluated under three (3) factors. The first factor listed below is greater in value than the second and third factor, and the second factor is greater in value than the third factor:

1. Availability of Service Centers
2. Delivery Time
3. Warranty period

Each factor will receive an adjectival rating of Outstanding, Excellent, Satisfactory, Marginal, or Unsatisfactory based on the Government's analysis of the strengths and weaknesses of the proposal with respect to that factor, based on the considerations set forth below for each factor. The contractor shall receive an overall rating for its technical proposal as either, Outstanding, Excellent, Satisfactory, Marginal, or Unsatisfactory based on the Government's best value analysis.

(b) A price evaluation will be conducted as set-forth in this section and receive a rating as either reasonable or non-reasonable.

(c) Selection of the firm to deliver the vehicles under this contract will be based on the Government's assessment of the best overall value. The contractor's proposal shall receive an adjective rating for each factor and the contractor proposal will be reviewed in accordance with the evaluation criteria

identified in this solicitation below:

1. Availability of Service Centers

The offeror will be evaluated on whether or not they currently possess the necessary authorized service centers in Serbia. The offeror should have authorized service centers in the central, north, south, east and west districts of Serbia. Ratings will be determined according to the following criteria:

a)	More than one authorized service center each region - central, north, south, east and west regions of Serbia	Outstanding
b)	At least one authorized service center each region - central, north, south, east and west regions of Serbia	Excellent
c)	Four authorized service center each region - central, north, south, east and west regions of Serbia	Satisfactory
d)	Three authorized service center each region - central, north, south, east and west regions of Serbia	Marginal
e)	Two or fewer authorized service center each region - central, north, south, east and west regions of Serbia	Unsatisfactory

2. Delivery Time

Offerors will be evaluated on the number of days for delivery of the vehicles described in Section 1 of the solicitation. Ratings will be determined according to the following criteria:

a)	Up to 15 days	Outstanding
b)	From 16 to 30 days	Excellent
c)	From 31 to 60 days	Satisfactory
d)	From 61 to 90 days	Marginal
e)	Over 90 days	Unsatisfactory

3. Warranty Period

Offerors will be evaluated on the number of warranty years offered. Ratings will be determined according to the following criteria:

a)	4 years or more	Outstanding
b)	3 years	Excellent
c)	2 years	Satisfactory
d)	1 year	Marginal

C. REJECTION OF OFFERS.

The Government reserves the right to reject an offer if one of the following conditions exists:

- 1) Offeror fails to submit any of the required proposal documents required by Section 3;
- 2) Offeror submits a cost/price proposal that cannot be adequately explained or substantiated;

3) Offeror submits an offer that could not be made technically acceptable without a major rewrite.

D. AWARD WITHOUT DISCUSSIONS

The Government intends to make award without discussions on the basis of initial proposals received. However, the Government may elect to make award with discussions if it is determined to be in the Government's best interest.

If the Government elects to make award with discussions, it reserves the right, before requesting a final proposal revision, to:

- 1) limit the number of offerors in the competitive range to the greatest number of proposals that will permit an adequate competition among the technically acceptable proposals;
- 2) make more than one competitive range determination;
- 3) conduct more than one round of discussions; and
- 4) conduct more than one round of proposal revisions.

E. CONTRATOR RESPONSIBILITY

The Government will determine contractor responsibility by analyzing whether the apparent successful offeror complies with the requirements of FAR 9.1, including:

- adequate financial resources or the ability to obtain them;
- ability to comply with the required performance period, taking into consideration all existing commercial and governmental business commitments;
- satisfactory record of integrity and business ethics;

(h) *Certification Regarding Responsibility Matters (Executive Order 12689)*. The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) Are, are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) Have, have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) Are, are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) Have, have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined*. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment*. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples*.

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the

taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) Certification Regarding Knowledge of Child Labor for *Listed End Products* (Executive Order 13126). (iv) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract is the same as that used for these employees and equivalent employees servicing commercial customers.

(3) If paragraph (k)(1) or (k)(2) of this clause applies—
